

# FIGURES

[www.figuresmusic.ch](http://www.figuresmusic.ch)

## Technical Rider

We usually tour with all the equipment we need. But we're always happy to use the equipment that's already at the venue. Here is a list of the material we could use if you have it :

1x amp for electric bass

1x tube amp for electric guitar

1x PA with 5-6 XLR inputs, and 2-3 jack input

1x drumset (without cymbals, without snare)

3x mic-stands

2 monitor boxes (XLR in!)

## Catering

We're 5 musicians in the band and we all love and enjoy food. There's no allergies, but one vegetarian. We're always happy to discover local food and local drinks.
